# INVITATION

Dear Colleagues,

It gives us great pleasure in inviting you to attend the 16th National conference of SIR to be held in Bhubaneswar, Odisha on 1st & 2nd December, 2012.

It was the request of many members that we should have the next conference of SIR in Odisha, the soul of India, the land where the very stone speaks of its unique glory and where the magnificent old temples and shrines reverberate with the spiritual energy that permeates the very fabric of every life.

Bhubaneswar, the venue of the proposed conference, besides being the capital city of the modern state and the ancient kingdom of Kalinga is known as the temple city of Eastern India, housing more than 500 temples and a cluster of rock cut cave architecture of which mention may be made of Lingaraj, Mukteswar, Rajarani and the Ashokan edicts of Dhauli and the caves of Khandagiri and Udayagiri.

Puri, one of the four cardinal centers of Hindu pilgrimage and the seat of Lord Jagannath located on the golden beach of Bay of Bengal and Konark, the Black Pagoda dedicated to heliolatry, complete the golden triangle with Bhubaneswar.

We hope you shall have a nice stay amidst this graceful ambience.

Radiological technology is a combination of Science & Art and needs a perfect setting to be best imagined. We therefore invite you to share your technical and practical experiences with a very interactive faculty and enhance your artistic imaging skills.

We the members of the Organising committee, look forward to your participation. We urge you to register at an earliest possible and send your scientific contributions well in time to ensure better planning of the event.
