SOCIETY OF INDIAN RADIOGRAPHERS - SIR

OUR VISION

The Society of Indian Radiographers is established to serve for the welfare and promote the interest of Radiological Technologists and Students to develop academic excellence and foster professional affinity among members of the Association. It is a non-profit and non-Government Organization dedicated for the welfare of the radiographers' community. It comprises more than 20,000 life members across the globe.

The aim of the society to promote overall development of radiological technologists and patient care by improving the standards so as to contribute professional development. The society of Indian radiographers has a key role in establishing the National Commission of Allied Healthcare Professionals. Till today 22 National Conference have been conducted across the country.

SIR is affiliated to International Society of Radiographers and Radiological Technologists (ISRRT). SIR is releasing monthly Radiographers' Journal being published from Radiographers' Association of Maharashtra.

We invite all the radiation professionals to join in SIR through having life Membership.

Life membership Fee: **1500 INR** for Indian Citizens, For NRIs **3500 INR**

The students who are enrolling for the 10th National CME of Prof. Kakarla Subbarao Best Scientific Paper Competition, A discount of **Rs. 500/-** is being offered and now the membership fee will be **Rs. 1000/-** only instead of **Rs 1500/-**

Visit: www.radiographers.org and apply for membership
